Teen Room Policy

Anderson Public Library's Teen Room is a place for teens in our community to feel safe and comfortable hanging out with their peers in a space that was created just for them. The Teen Room and its computers, games, seating, and activities are for customers in grades 6-12 only.

Adult tutors working with teen students may use Study Rooms or open seating in other areas of the library. Teens who are visiting the library with children who are not in grades 6-12 may use Children's department seating and computers.
